## **Advanced Dance Classes Offered in July**

Canton Ballet's Summer Intensive Workshops for intermediate and advanced students are offered July 6 through August 7, 2008. This 5-week intensive program provides dance classes in ballet, pointe, modern, jazz, stage make-up and choreography as well as a dance competition for all levels. Master teacher Jon Rodriguez of Dayton will join Canton Ballet's regular faculty for ballet along with Jazz and Modern teacher Tanya Mucci for.

The program of activities and classes is designed to enhance the daily training necessary for aspiring dancers. Summer Intensive Workshop classes provide time for serious ballet study. Freed from the pressures and concerns of school and other activities, dancers can relax and concentrate on improving their technique while experiencing different instructors, different styles of dance and learning more about their art form.

The tuition for the five-week workshop is \$900. Students taking all five weeks of the workshops will take part in a performance for parents and friends at the end of the summer. The faculty will include Artistic Director Cassandra Crowley, Assistant to the Artistic Director Jennifer Catazaro Hayward and Choreographer in Residence Angelo Lemmo.

Canton Ballet is located in the Cultural Center for the Arts at 1001 Market Avenue N. in Canton. For more information and registration call 330-455-7220 or go to the website [cantonballet.com](http://cantonballet.com). Early registration is recommended as class size is limited.
